Subject: ANNOUNCEMENT-Introduction of Gemalto GCX4 Platform in CAC PIV Transitional Configuration

IPMSCG Action Officer and CMWG members,

To continue with the progress of our HSPD-12 implementation, the Department will be introducing a new configuration of the CAC into the issuance infrastructure. The platform is the "Gemalto GCX4 72K DI" card in the CAC PIV transitional configuration.

The IPMSCG Test and Evaluation Work Group has reviewed and accepted this platform for deployment. Gemalto GCX 4 CAC PIV transition configured cards will be moved to operation inventory immediately replenishment orders will begin being fulfilled this week. If there are any questions, please feel free to contact Jonathan Baldwin (jonathan.baldwin.ctr@osd.pentagon.mil, 703.696.3957).

Regards,
Felicia Johnson
CMWG and TEWG Chair
